5. The Tenderer may modify or withdraw his tender after submission of the tender, provided that written notice of the modification or withdrawal is received by the NBT prior to the last date prescribed for receipt of tenders. No tenders may be modified subsequent to the last date for their receipts.
6. Incomplete tenders are liable to be rejected.
7. The quantities mentioned in the schedule may either be increased or reduced at the discretion of the NBT and no claim in this regard shall be entertained. If considered necessary, any item could be dropped completely.
8. The Tenderers should fill the rates both in figures as well as in words. The tender form may be filled in English and all entries must be handwritten in ink. Overwriting of rates is not permitted. Corrections, if any, should be attested by the Tenderer with his initials.
9. If there is a discrepancy in rates between words and figures, the amount in words will prevail.
10. Tenderers shall be required to deposit Rs.30,000/- (Rupees Thirty Thousand only) as Earnest Money (refundable) in the form of a demand draft drawn in favour of **National Book Trust, India**, payable at Delhi. Tenders not accompanied by the requisite Earnest Money shall be rejected summarily.

All expenses for this purpose as also for the preparation of documents and other meetings will be borne by the Tenderer.
12. Each tender should be accompanied by documentary evidence of the Tenderer being a registered/approved government contractor and of his having done work of a similar nature. In the absence of documentary evidence, the tender may be rejected.
13. The Tenderers, in their own interest, are advised to inspect the site at their own cost and see its physical condition before submitting tenders.
14. The NBT will open the tenders in the presence of the Tenderer or his authorized representative, who may choose to attend at the following location:

15. The Tenderer's name, modifications, tender withdrawal and such other details as the NBT, at its discretion, may consider appropriate, will be announced in the meeting.

16. The NBT will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed, and whether the tenders are generally in order.
17. A tender determined as not substantially responsive will be rejected by the NBT and may not subsequently be made responsive by the Tenderer by correction of the non-conformity.
18. The NBT may waive any minor infirmity or non-conformity in the tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any other Tenderer. The decision of the NBT in this regard will however be final.
19. The successful contractor must complete the work satisfactorily by the forenoon of 9 March 2008.
20. The contractor shall engage technically qualified personnel for executing the work.
21. The NBT will award the contract to the successful Tenderer whose tender has been determined to be substantially responsive and has been determined as the lowest evaluated bid, provided further that the Tenderer is determined to be qualified to perform the contract satisfactorily. The NBT shall however not bind itself to accept the lowest or any tender, wholly or in part.
22. Before award of the contract the successful tender will be required to deposit as Security (refundable) a sum equivalent to 5% of the value of the contract, after adjustment of Earnest Money Deposit in the form of a Demand Draft issued by a nationalised Bank and drawn in favour of **National Book Trust, India**, payable at Delhi. The Security Money deposited by the successful Tenderer will be retained till completion of the Fair.
23. Security money shall, however, be liable to be forfeited in the event the contractor either fails to complete the job within the stipulated time or if the job is not done satisfactorily as per the specifications. If the successful contractor backs out after award of the contract, Earnest Money Deposit is liable to be forfeited.
24. Liquidated Damages: In case of failure to complete the job in time NBT may impose a penalty of Rs.1,000/- per hour and the contractor may be black-listed for future work. 25. During the period of construction, the contractor shall have to make his own arrangement for facilities such as water, electricity, security etc.
26. In the event of any accident during the execution of work, any loss shall be borne by the contractor. He shall not be entitled to any compensation or claim from the National Book Trust, India for any loss to his articles, dead stock, furniture, fixtures, etc. on account of natural calamities beyond the control of the Authorities.
27. The contractor will be responsible for the up-keep and maintenance of the entire structure constructed by him till the end of the Fair, for which no extra payment shall be made. Breakage and damages, if any, shall immediately be replaced/repared without any extra cost.
28. 80% payment on the billed amount may be made before close of the Fair, subject to a physical verification by the officers of the NBT. The remaining 20% payment shall be made at headquarters.
29. Income tax shall be deducted at source as applicable under the rules. **Permanent Account Number (PAN) allotted by the Income Tax Authorities and CST No. allotted by the Sales Tax Deptt. must be quoted in Annexure 2,** without which the tender is liable to be rejected.
30. The NBT reserves the right to accept or reject any tender, and to annul the tender process and to reject all bids at any time prior to the award of the contract, without thereby incurring any liability to the affected Tenderer or Tenderers on the grounds for NBT's action.
31. The decision of the NBT in this regard would be final and binding.
32. The NBT is not bound to accept the lowest rates quoted by any Tenderer and reserves the right to accept the whole or any part of the tender as portion of the quantity offered, which the Tender shall supply at the rates quoted.
33. If, at any time during performance of the contract, the contractor should encounter conditions impeding timely execution of the work, he shall promptly notify the NBT in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable, after receipt of the contractor's notice, the NBT shall evaluate the situation and may at its discretion extend the contractor's time for performance.
34. On conclusion of the Fair, the contractor must remove the installations by 6 p.m. on 20 March 2008.

35. The NBT and the contractor shall make every effort to resolve amicably by direct informal negotiations any disagreement or dispute, arising between them under or in connection with the contract. However, any unresolved disputes would be subjected to the jurisdiction of Delhi courts only.
